Historical Background: From Indigenous Land to Global City

Indigenous Heritage and Early History

Before European settlement, the area now known as Sydney was inhabited by the Gadigal people of the Eora Nation. These Indigenous Australians thrived in the region for thousands of years, developing sophisticated social systems, art, and connection to the land. The rich cultural heritage of the Gadigal and other Aboriginal groups is an integral part of Sydney?s identity, reflected in

European Settlement and Colonial Foundations

Sydney's modern history began in 1788 when the First Fleet arrived from Britain, establishing the penal colony that would become the city. The settlement was initially a harsh outpost, marked by challenges such as unfamiliar terrain, scarce resources, and conflicts with Indigenous populations. Over the 19th century, Sydney grew rapidly due to immigration, trade, and the discovery of gold in New South Wales, transforming into a bustling port and commercial hub.

Development into a Cosmopolitan City

Throughout the 20th century, Sydney evolved into a diverse metropolis. Post-World War II migration waves brought Europeans, Asians, and others, shaping the city's multicultural fabric.
