design process that considered:

- The distinct cultures and worlds within the MCU (e.g., Asgard, Titan, Wakanda)

- The tone of each scene, whether epic, tense, or humorous

Key Artistic Objectives

- Visual Consistency: Maintaining a cohesive universe where each planet and character design complements the overall aesthetic.

The design philosophy was rooted in the desire to serve both storytelling and spectacle, ensuring that every visual element advances the plot or deepens character understanding.

Concept Art and Pre-visualization

Role of Concept Artists

The journey from script to screen begins with concept art. Marvel's art teams, led by experienced concept artists, generated thousands of sketches and illustrations to explore different interpretations of characters, environments, and key scenes.

Artists drew inspiration from Marvel comics, historical art, science fiction, and fantasy, translating these influences into visual ideas that could be refined and realized in CGI. This stage was crucial for establishing:
