What is Rainbow Loom?

Rainbow Loom is a brand of rubber band crafting kits that enable users to create various jewelry and accessories by weaving small, elastic bands around plastic pegs on a loom board. Originally introduced by the company Choon's Design, Rainbow Loom became a global phenomenon, inspiring countless tutorials, patterns, and creative projects.

Essential Tools and Materials

Before you start creating, it's important to gather the right tools and materials:

- **Rainbow Loom Kit:** Usually includes a loom board, a hook tool, and a supply of colorful rubber bands.
- **Rubber Bands:** Available in various colors, sizes, and finishes (e.g., matte, shiny).
- **Hook Tool:** Used to loop and weave bands around pegs.
- **C-Clips or S-Clips:** Small connectors to secure finished pieces.
- **Optional Accessories:** Beads, charms, and additional decorative elements.

Types of Looms

Looms come in different shapes and sizes, each suited for specific projects:
